Matt Steging

# Johnson County Kansas

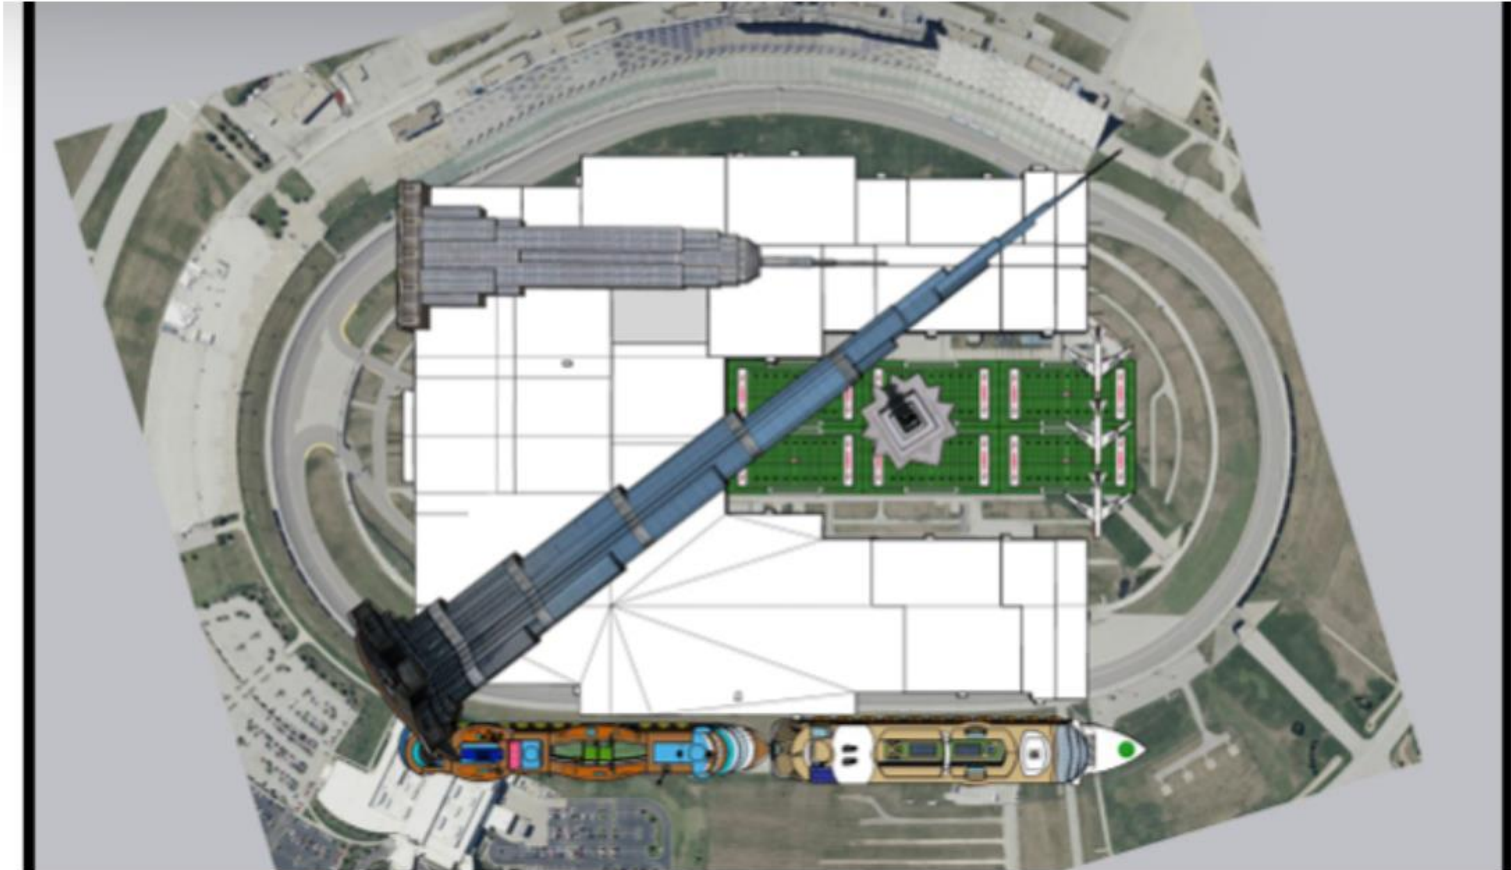

# Johnson County Kansas

- Is about 500 square miles
- Most populous County in KS, with a population over 641,000
- Several of the fastest growing cities in the state
- Roughly 222,000 parcels
- Still a mix of Urban/Rural

# Johnson County Kansas

# Johnson County Kansas

📹 Panasonic executives briefed a Kansas House committee on construction of the \$4 billion electric vehicle battery plant in De Soto and offered a graphic depiction of the massive size of the facility. The white area defines shape of the main building, compared to cruise ships, the Kansas Speedway track and tall structures. (Kansas Reflector screen capture from Kansas Legislature's YouTube channel)

# Previous Image Collection

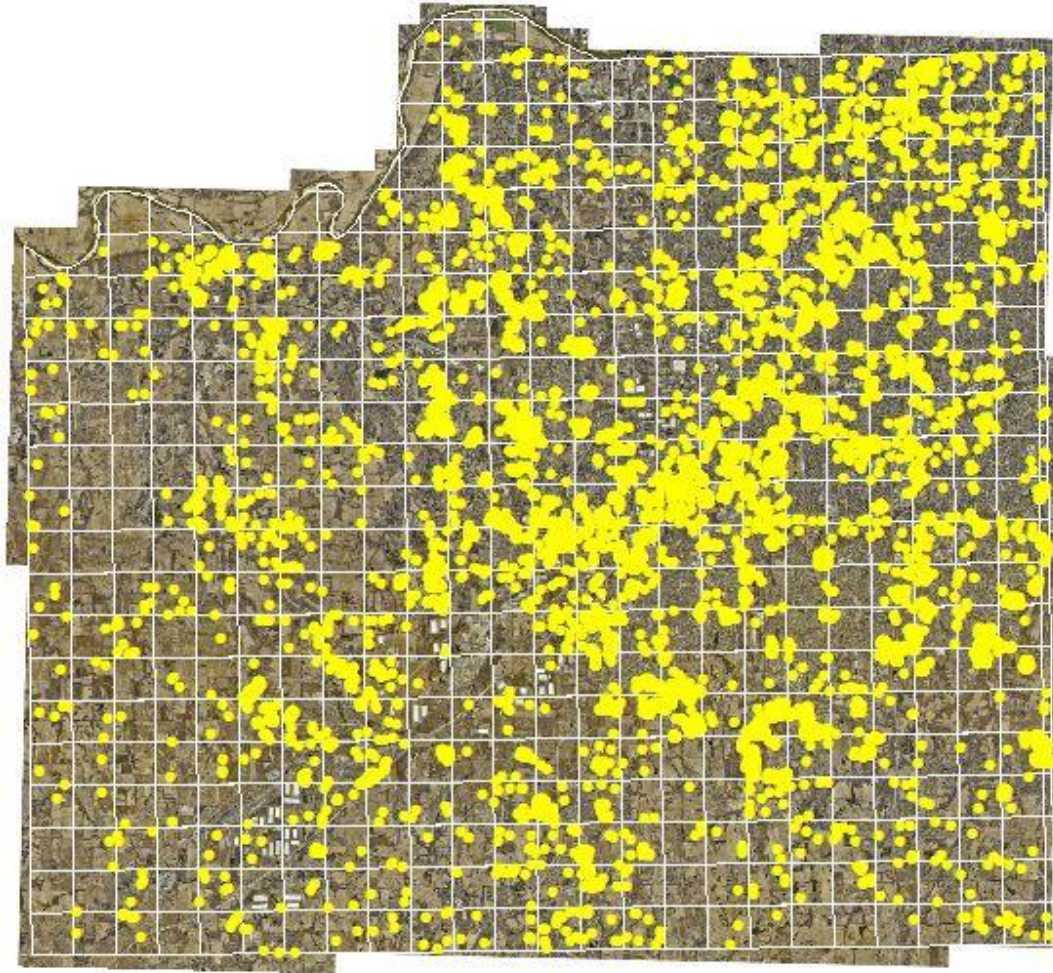

# 2022 Image Collection

# Reason for Internal Shoot

- Hire vendor to shoot entire County once every six years
- Depending on new construction volume we need to do an internal image capture 1-2 times in between County-Wide shoots.
- This year's shoot also involves some clean up from the last County-Wide Project.
- Current Internal Shoot Parcel Count - 8,650
  - New Construction - 4,082
  - Residual from Last County Wide Project - 4,568

# Parcel Distribution

# Internal Shoot Process

- Map to locate parcels and mark when captured.
- Provide / Collect attribute data.
  - Parcel Number / Address
  - Primary / Secondary images
  - Image name
  - Date captured
- Stripe images with date captured.
- Organize images /data to create an index file for import into CAMA system.

# Old Method

- Paper Maps / Digital map on laptop
- Spread Sheets
- Point and Shoot Cameras with Memory Cards

Led to many issue

# New Method

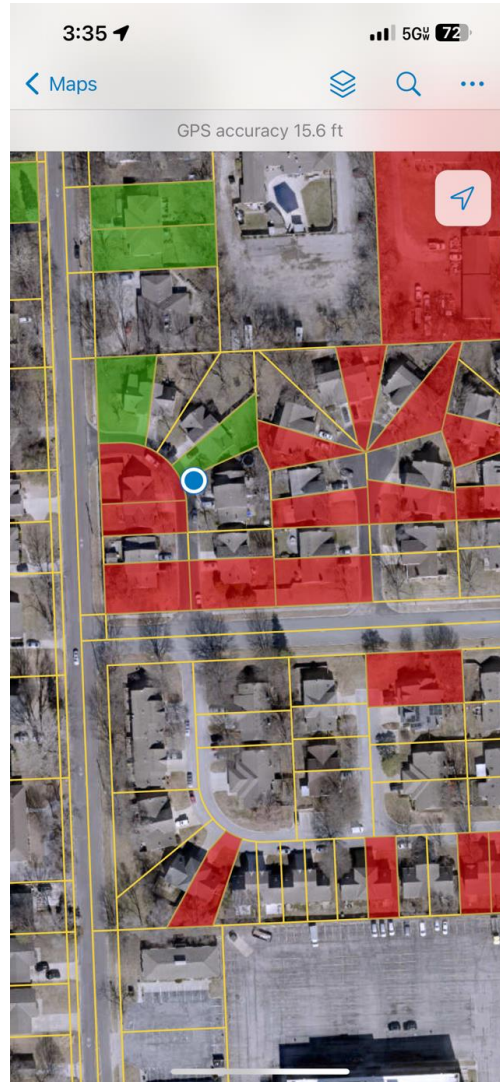

- iPhone SE
- ESRI Field Maps
- ArcGIS Portal for monitoring project in office and back-end functionality.

OBJECTID 1771  
TaxPropID NP88700000 0024  
Site Address 8590 PERRY LN  
Owner Name GIBBS, LAURA L  
LBCS Function 1102  
LBCS Description Duplex  
CustomID NP88700000 0024  
QuickRefID R131345

The image shows a software interface for property information. On the left, there is a photograph of a two-story house with a grey roof and white trim. To the right of the photo is a table with property details. On the far right, there is an aerial map of the property area, overlaid with semi-transparent green and red polygons. A cyan circle highlights a specific portion of the green area on the map. The interface includes navigation icons like 'Edit', 'Zoom to', and a vertical scrollbar.

An aerial photograph of a residential area with property boundaries overlaid in yellow. A large green semi-circular area is highlighted on the left side of the image, and a red rectangular area is highlighted on the right side. The background shows houses, trees, and a street.

# Back End Processes

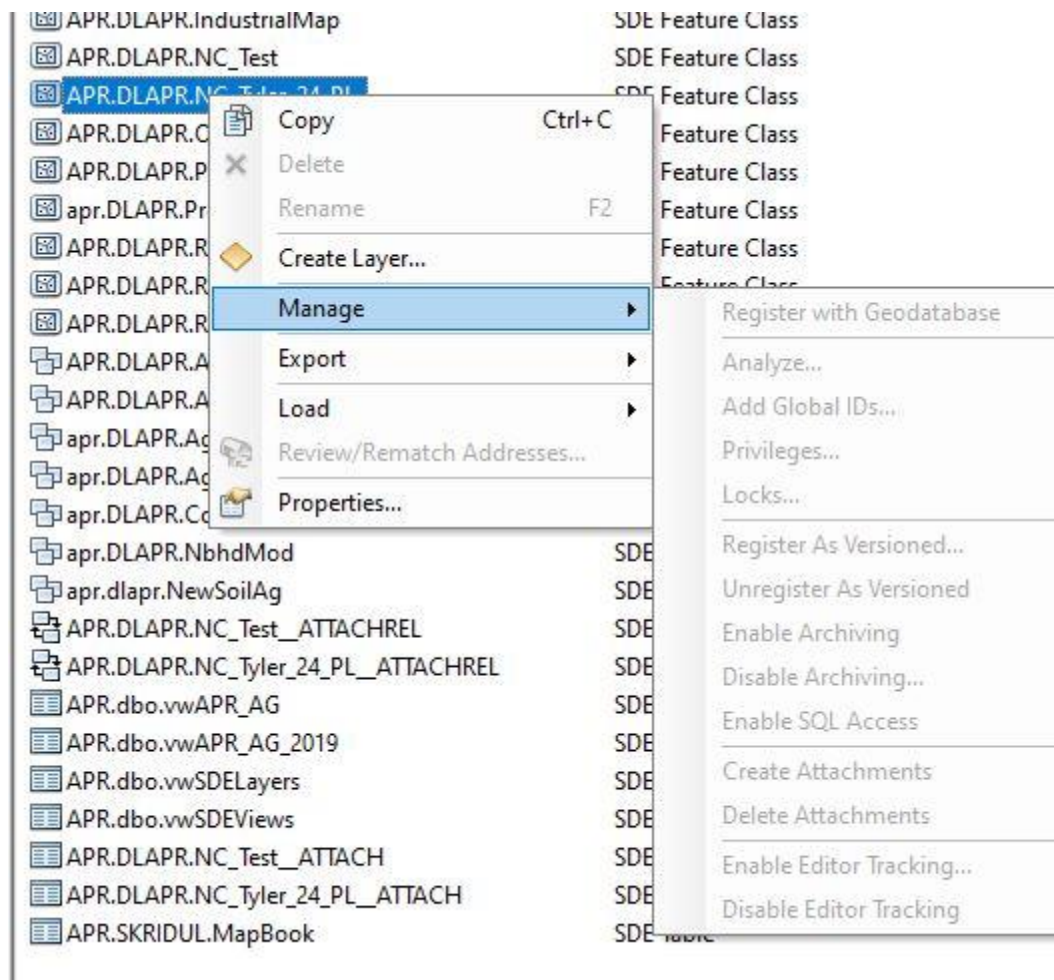

- Photos are stored in an attachment table linked with the feature class.
- Using a SQL view, the newest photos are arranged in order and marked as primary/secondary.
- A python script uses the view to create folders named with the QuickRefID on the network and then copies the photos to the folders named with the QuickRefID, Primary or Secondary designation, and the attachment ID.
- A data sync runs the python script nightly to move the most recent images.

# Back End Processes

- Add Global ID
- Create Attachments
- Enable Tracking
- Register as Versioned

The screenshot displays the ArcGIS Server Manager interface. The top navigation bar includes 'Services', 'Site', 'Security', and 'Logs'. Below this, there are tabs for 'Manage Services', 'OGC Services', 'KML Network Links', and 'Sharing'. The main content area is titled 'Folders' and shows a search bar with the text '< Search for services in Site (root) >'. On the left, a 'Folders' sidebar lists: Site (root), Edgerton, Elections, Hosted, JCW\_UtilityMapping, Secure, System, and Utilities. The main area lists five services:

Service Name	Description	Service Runtime	Instance Type	Status
<a href="#">CARS Eligible SharedRoads2</a> (Map Service)	CARS roads by city	ArcGIS Pro	Shared	Started
<a href="#">CARS MIL1</a> (Map Service)	CARS	ArcGIS Pro	Shared	Started
<a href="#">CARS Roads MIL1</a> (Map Service)	CARS roads by city with bridge information	ArcGIS Pro	Shared	Started
<a href="#">Front Elevation Photo Capture</a> (Map Service)	Front Elevation Photo Capture	ArcGIS Pro	Shared	Started
<a href="#">JCPRD Disc Golf Capture MIL1</a> (Map Service)		ArcGIS Pro	Shared	Started

The screenshot displays a web application interface for a map viewer. At the top, there is a navigation bar with the text "Open in Map Viewer Classic", a notification bell icon, a menu icon, and a user profile for "Ryan.Geiter@jocogov...". The main area is a satellite map with yellow property boundaries. A red-shaded property is highlighted, and a pop-up window is open over it. The pop-up window has a title "11691 S RIDGEVIEW RD" and a table of property details. To the right of the map is a sidebar menu with various options like "Front Elevation Photo Capture", "Pop-ups", "Options", "Attachments", and "Fields list".

11691 S RIDGEVIEW RD	
OBJECTID	3748
TaxPropID	DP18520000 0001
Site Address	11691 S RIDGEVIEW RD
Owner Name	ASPENS AT RIDGEVIEW FALLS LLC
LBSCS Function	1210
LBSCS Description	Retirement housing
CustomID	DP18520000 0001
