9053 Monticello Rd, 91st and Monticello Rd.

One of Lenexa's destination playgrounds which has something for all ages and interests. The playground is nestled into Becker's Woodland. A special attraction is the natural play area including a play stream, sand box, natural hide and go seek area, log stepping and boulder climbing.

Three different play sets are available. One play set is for 2-5 year olds including slides, monkey bars, tot swings and bridges. Two different play areas are available for 5-12 year olds that have slides, climbing areas, spinners, bridges, hanging zip line, swings, monkey bars, and rings. All of the playground surfaces are wood mulch except for sand box
